

HARSH CHAUHAN

SUMMARY

Dedicated and skilled web developer with over 2 + years of experience specializing in Next.js and React.js. Proficient in building dynamic, high-performing web applications with a focus on user experience and responsive design. Experienced in full-stack development, delivering high-quality, scalable solutions. Seeking to leverage my expertise and contribute to a collaborative and innovative development team.

OBJECTIVE

Looking forward to an opportunity for working in a dynamic, challenging environment, where I can utilize my skills for developing my career and for the growth of the organization.
